This is a personal entrance ticket

- This ticket will be scanned at the entrance. Please keep the ticket dry. If the ticket is wet and/or the QR code is created, the QR code will become unreadable. Tickets that cannot be scanned, will not be accepted.
- The holder of this ticket must be scanned out if he/she leaves the domain with the intention of returning later in the day. Access will be refused if the ticket has not been scanned out.
- Each QR code contains unique information, allowing copies and forged tickets can be detected. Misuse of tickets will be legally prosecuted. It makes no sense to copy this ticket.
- You only have access to those zones that are permitted in accordance with your card. You must follow the guidelines of the stewards at all times.
- Access to the track is prohibited to the public at all times, as is standing against the safety walls adjacent to the track.
- By accepting this ticket the holder declares expressly to waive all recourse against us, including for any damage he or she may incur on the domain of vzw Terlaemen. The use of hearing protection is recommended during all motorized activities, and is mandatory for children. During A days hearing protection is mandatory for everyone.
- The holder of this ticket agrees that visual recordings may be made of him/her, which may be used for surveillance and/or publication.
- Please note that we enforce a total ban on smoking in all buildings, on the roof of the stands and in access stairways, and near the petrol station and pit lane.
- Use of motorized vehicles (coasters, quads etc.) is only allowed with a valid driver's license, and at the appropriate speed in the permitted zones.
- Inappropriate, violent, racist, homophobic, sexist or abusive behaviour will result in immediate eviction from the site.
- You are kindly asked to respect our neighbours and the spaces reserved for disabled guests. Pets are best left at home, as they can hear a much higher frequency than humans.
- The holder of this ticket takes note of the internal regulations that can be consulted at https://www.circuit-zolder.be/wp-content/uploads/2022/04/2022_Infarm-reglement-CZ_EN.pdf
